April Quarterly Report (1/1/04 - 03/31/04)

This is in response to a letter dated June 8, 2004 from the Federal Election Commission.

Attached please find amended contribution pages 38 and 39 got line 21 addressing the question regarding an excessive contribution. Our committee contributed \$1,000 each for the primary and general elections for the candidates listed, therefore complying with the limits of the federal election laws.

The second request addressed election cycle reporting. In discussion and review of our reports with our reports analyst, it was determined that a programming error in transitioning from calendar reporting to election cycle reporting on the part of the FEC calculated incorrect totals. This second item was therefore dismissed.

Please contact me at (505) 332-3711 if you require additional information.

Sincerely,

Lori Peterkin  
Assistant Treasurer and Custodian of Records  
A Lot of People Who Support Jeff Bingaman for U.S. Senate
